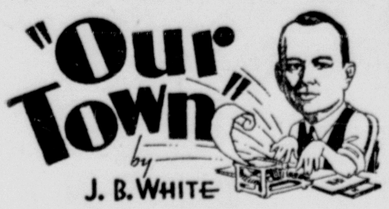
LYNDON JOHNSON WINS SENATE RACE

TELEPHONE RATE INCREASE SOUGHT HERE

CONDITIONS AT COUNTY POOR FARM HERE ARE EXPOSED



How Much Do We Care?

I was not prepared for the shock experienced late Saturday when I paid an unsolicited visit to the Milam County Poor Farm, more easily understood as the Prison for the Poor, owned by the county and so poorly maintained and supported, it has become the object of concern among those people who still enjoy a measure of human compassion.

They will tell you out there that conditions now are much better than they used to be. That I would not know, but all along there has been criticism of the manner, in which this problem has been handled.

There are only 10 inmates of this Prison for the Poor. As I walked into the squalor sector of the farm buildings I expected to see the aged wards of the county on the porches but a brisk norther was blowing and they were huddled in their rooms.

On the porch of one hovel I saw an aged negro crone. Nearby was a tray on which were 2 pieces of light bread and some brown beans. There were more flies than beans. In another room a white man lives, how, God only knows. Capacity for gratitude seems never to die. The old negro smiled and seemed to sense that maybe white folks at last had come to do something about these conditions. She did not speak. I passed on to peer into the dismal stalls. The beds are old rusted frames with thin cotton mattresses. There are no sheets, only brown ticking that are coated with filth. The floors are bare and a wood stove supports rusty pipes that issue through leaky roofs.

Some of the more alert inmates contrive conveniences such as soap boxes partitioned off for trinkets, sparse and common place. In some were broken combs, an occasional sack of tobacco or a bottle of snuff.

The buildings, rotting away, are box affairs with wide cracks in the walls through which the bitter winds pour. They told me without exception that in winter they suffer greatly. In summer they have no sheets to cover with and they sleep with wool blankets during the suffocating nights.

They have no sanitary accommodations whatever. They cannot take a bath for there are no bath tubs or bathing places. They never have a cold drink of water. The sewer is only a few feet away but such facilities have never been added to the farm equipment. Two surface toilets, now offal pits of indescribable filth, stand close to the shacks. The buildings have no gas heat, only wood stoves.

The farm has 100 acres. There are no fences either around the tillable land, or the garden spots or the barns. There is no storage for grains, if produced. There are a few milk cows. The old people get milk at night, rarely any supper. Meager funds provided by the county will allow only two meals a day. They get breakfast and lunch or an early supper. Only the common foods can be bought for there is no money to buy a balanced ration or any comforts whatever.

Mr. and Mrs. Homer Allen receive no pay for their work. They live in the main house and they get their food and utilities, nothing more: "We have stood it as long as we can," he said. "If the county does not do something to remedy these conditions, we are going to move. There is an opportunity here to do something good for these unfortunate people, but as it is, it is too heartbreaking. We simply cannot go on."

SOUTHWESTERN BELL IS LOSING $1930 MONTH

Declaring that it is losing $1,930 a month in Cameron, the Southwestern Bell Telephone Company announced today that it is asking the City Council for approval of an increase in telephone rates here, made necessary by the rising costs of furnishing telephone service.

In announcing the request for revised rates, C. L. Carson, Manager, said that during the last few years the company has failed to take in enough money here to pay for its operating costs in Cameron.

The proposed new rates represent an increase of $1.50 amonth for business telephones, 50 cents a month for residence straight-line telephone users, and 25 cents a month more for party lines.

During the last six months of 1947, the company collected $19,366 here, Carson said, but costs of furnishing service were $30,955. The company failed by $11,589—about $1,930 a month—to collect enough revenue to pay the actual costs of providing telephone service in Cameron with no return at all on its investment.

The continuing upward trend of payrolls and other costs of furnishing service make it necessary that telephone rates be adjusted to help offset the losses sustaind here by the company.

Telephone payrolls, the biggest single item in the cost of operating the exchange here, have increased sharply in recent years, the manager said. Last year, the monthly payroll in Cameron was more than three times as high as in 1941. This is due to higher wage rates and to the larger number of employees required to handle the greater volume of calls.

Present telephone rates were es-

CAMERON DAY AT FAIR IN TEMPLE PLANNED

Plans to participate in the Bell County Fair in Temple were discussed last night at the meeting of the Board of Directors of the Chamber of Commerce.

Cameron day in Temple will be Saturday, September 25. The school band will be sought for this day said L. G. Smith, manager.

Mr. Smith said that a number of exhibits are planned by the people of this county.

The Chamber will join firemen during Fire Prevention Week in an effort to focus attention on the need for prevention.

PRESIDENT TRUMAN TO VISIT TEMPLE SEPT. 27

President Harry Truman's special train will arrive in Temple at 11:55 a. m., on Sept. 27, and will leave at 12:10, the Telegram's Washington bureau reported Tuesday.

The White House has still not announced details of the President's return trip from California, where he will speak Sept. 24, but it is definite that his train will travel from San Antonio to Dallas by Katy lines on Sept. 27, and that he will make stops in New Braunfels, San Marcos, Austin, Temple, Waco, Fort Worth and Dallas.

On Sept. 26, Mr. Truman will visit John Garner, former vice president and close associate of the President, at his ranch near Uvalde.

The program welcoming the President to Temple has not yet been worked out, but probably will be this week.—Temple Telegram.

BOLSTERS PURGED IN CLEAN SWEEP TUESDAY

Rep. Lyndon B. Johnson was certified by the state Democratic convention as nominee for U. S. senator Tuesday night.

Earlier the convention pledged Texas' 23 electoral votes to President Truman and ejected four anti-Truman delegations.

It was a complete victory for the Truman and Johnson forces.

The voice vote on Johnson's certification was overwhelming aye. There were scattered noes. The announcement of the committee's recommendation favoring Johnson brought an uproar of shouts mixed with a few boos.

Coke R. Stevenson, Johnson's opponent in the closest political race in Texas history, abandoned an earlier plan to fight it out on the floor of the convention. An associate said this did not mean he was quitting the fight. It was widely reported that Stevenson would try in court to halt final certification of Johnson to the secretary of state by convention officials.

Gov. Beauford H. Jester was greeted with handclapping when he came before the convention. He called for a "modern and humane penitentiary system," better pay for teachers and touched briefly on other plans for his forthcoming administration.

All but a few delegates came to their feet cheering and clapping when Johnson was escorted to the rostrum. Mrs. Johnson was with him.

"This is a great night for us," he said. "This is the moment we have been waiting for, for more than a hundred long and weary days. I have so much gratitude in my heart that there is no room for bitterness."

"I pledge here and now that I will devote every ounce of strength to make you all and all those who voted against me the kind of senator Texas is entitled to have. Never has a man had better friends or more bitter enemies. We love our friends and

(turn to page seven)

PETITION WILL ASK FOR IMPROVEMENTS

Until a short time ago inmates at the Poor Farm drank from tomato cans. They had no cups or glasses.

The Christian Church purchased a number of cups and took them to the farm.

Into the cold and cheerless hovel center the good people of the churches have occasionally brought in a ray of sunshine. The Presbyterian church on last Thanksgiving brought cookies and candies.

The Swap Shop in Santa Fe Town and the Food Center, then in operation, sent out some Christmas boxes.

The Methodist church sang carols and brought candies.

The Full Gospel Tabernacle also has visited the inmates and brought them some of the good things the poor never otherwise would get.

The inmates have no chairs except some few broken ones. They improvise seats from boxes and exist on the bare necessities for such furnishings.

The county allows only $24.50 per month for 10 inmates. The total income there to sustain life is $245.00 per month. Until a few months ago the sustenance fund was around $18 per month. Out of the total allowed some 13 people must live for the home management must also eat from the fund.

Trays are prepared and handed out the kitchen door to the poor. They take their meager rations to their rooms and there they must wash their own dishes. No hot water. One inmate, a white man, 57, has to have special care. He has no legs. "I get terribly cold here in winter," he said.

Law violaters who are placed in jail get something over 90c allowance for food a day. The poor get around 81c. They can have only 2 meals a day.

The only white women at the farm live in a tumbled down shack across the road. One gets $16 a month from the Baptist Church. They live under

(turn to page six)

Mandy Griffin Died July 1, 1948 at the Prison for the Poor; Gangerine Killed Her Because There Was no Medical Care

Mandy Griffin, negro woman, had no folks to take care of her and she was too old to work, so she made application to enter the poor farm at Cameron.

Mandy, like many others, believed that if she could get to this farm, she would be well treated; that in her last years upon earth she would have food to eat, a comfortable place to stay, a warm bed in winter. In the end Mandy died a horrible death all because she did not have proper care, or medical or surgical attention.

Sometime in the spring of 1948 (this year) Mandy dropped a large stick of wood on her foot. The bruise was severe. She should have had medical care. But Mandy was an inmate of the Prison for the Poor. And, besides, she was an old negro and nobody cared anything about her. The Home for the Poor authorized by the people, must be so administered as to discourage application. A dollar is Virture and saving it is good morals, at least it's good business. If the Poor Farm is nice, clean and well kept, old folks who have no homes could live there under humane, and, even happy conditions. But no, it must be made drab, uninviting, a place to be shunned except in cases of last resort when nothing matters, not even death. We have been told that if the Poor Farm is made a decent place, old folks will want to live there. If it is maintained on its present basis nobody will want to live there.

The Commissioners Court should do one of two things. Make a decent place for the unfortunate wards to live or abolish all semblance of concern for the needy and aged and discontinue the farm.

Mandy's foot got worse. Infection set in and she began to suffer much. It was only a matter of days until gangerine spread from the bruise and Mandy's condition was critical. Did Mandy have medical care? We'll let you answer that one. Did Mandy have an operation to save her life? We'll let you answer that one.

Mrs. Allen each day during the critical stages of Mandy's horrible ordeal, put on rubber gloves and a mask and went out to Mandy's stall where she lay and poured mild disinfectants over the rotting limb. In a few weeks Mandy's foot rotted off, Mrs. Allen told The Daily Herald. "It was all so horrible. I did all I could. People generally don't believe you when you say that Mandy's whole foot came off, but it is true."

Mandy lay in bed 3 months. On July 1, 1948, in this year of our ascendancy as a "good community," Mandy died.

Mandy could have been saved, maybe lived a long time if she had had care. But Mandy was an old nigger woman, living in the Prison for the Poor, and nobody cared.

COUNTY JUDGES PLAN RURAL ROAD PROGRAM

County judges of the 13th Senatorial District met in Marlin recently at the call of Judge Fred Glass of Falls county, who is secretary and treasurer of the Rural Roads association in Texas.

The meeting was called for the purpose of discussing legislative measures pertaining to rural roads, to be presented at the next regular session of the legislature in January.

According to the Falls county judges similar meetings are to be held in the near future in all other senatorial districts of the state. Later the proposals and other plans will be presented to all interested in rural roads in the various counties.

The following judges were present: Mickey Walker, recently nominated county judge of McClellen county, J. Furgerson of Lime Stone county, Fred Glass of Falls county, Dan Tyson of Milam county.

Burlington Hall Is Improved; Dance Is To Be Given Sunday

The Burlington Hall has recently been reopened for entertainments for which many have been looking forward.

The hall has had quite a few improvements, including a new hardwood floor. A dance is scheduled for Sunday night, September 19 and everyone is cordially invited. Another dance will follow on Wednesday night.

Plans are in the making for the annual church picnic which will be held in the near future.

"Lightning" Hit By Car; Leg Is Broken

"Lightning" faithful Doberman dog, owned by Paul Laake, is at home this week. He was struck by a car and sustained a broken leg.

He was not able to make the mail delivery on City Route 2 Monday and folks generally missed him. "Lightning" is an unusual dog for they can be that way. Both intelligent and harmless, he has been a fixture in the city for several years.

There are many here who would say that he could deliver the mail as good as Paul but so far he has been content to make the rounds. He knows every delivery spot and often when the heat is bad and the cold severe, he cuts corners and waits for Mr. Laake. In that way he shortens his route and seems to feel a sense of duty well done.

Dr. Lyle McDermott set the broken bones and "Lightning" will be up in a few days.

Sharpe's New Jewelry And Gift Store Will Be Opened Sept. 24

Walter F. Sharpe's new and modern jewelry and gift store at the corner of First and North Central Avenue will be opened to the public on Friday, September 24 between the hours of 2 p. m. and 6 p. m.

Mr. Sharpe has achieved something new and modern in his new store. It is distinctive in arrangement, decorations and all around modern merchandising features.

The new store has been under construction for some time and is one of a number of attractive shops fashioned from the old Reno building. Mr. Sharpe invites you to be his guest during the hours for the open house and reception. Nothing will be sold during those hours.

The new store will be open for business later in the evening or on Saturday, September 25.

GUARDSMEN SURVIVE RIGORS OF TRAINING

"It was rough, hot, hard work—and plenty of fun".

That was the way members of the local National Guard unit described the summer camp recently held by the Texas National Guard at Camp Hood which was attended by thirteen enlisted men and the commanding officer, Captain Rudolph Michalka, of Battery C, 239th Field Artillery Battalion.

Reports indicated that the camp was a success, Capt. Michalka said, and he believed everyone learned a lot, since the training was under actual field conditions. All members of the unit fired familiarization rounds with carbines on the rifle range. Also 73 rounds of ammunition was fired by Battery C's 105 mm. howitzer. S/Sgt. Julian Arnold, as chief of section, had a smooth running gun crew and saw that the gun was laid accurately, and a number of direct hits were made on the target.

Pvt. Denson Crouch attended the Gas Course at Chemical Warfare School.

One accident marred the training program when Pvt. Gordon Zercher of Rockdale suffered a dislocated wrist while working on K. P. He received treatment at the camp hospital, then was taken to Brooks General Hospital, Fort Sam Houston, San Antonio, where he received excellent medical care. He later was returnd to his organization and is doing fine.

Since the return from Camp, Capt. Michalka reported another enlistment has been made in the battery. He is Monroe Marek, a printer employed by the Cameron Enterprise, and was sworn in during the drill period at the armory on last Monday evening.

Capt. Michalka stated that there were still openings in the battery, and anyone interested in enlisting—especially men 17 to 18½ years of age—should contact him at the Cameron Machine Shop.

Western Auto Store Sets Pace In Fall Sale This Week

Harry Haraway's Western Auto Associate Store in Cameron is setting the pace for merchandising this week in another fall sale.

Mr. Haraway eclipses all previous value giving events in this sale. Merchandising at his store is a continuous bargain giving and the people have shown their appreciation of the opportunities he is giving them to buy at savings.

The store has a large stock, sells appliances and thousands of other items peculiar to this popular field in store operation.

Readers of The Herald will be glad to read another big ad telling about buying opportunities this week at this store.

Chamber Here Plans Labor Camp Site

Housing facilities for workers during the cotton harvest in this area is planned by the Chamber of Commerce.

Next fall grounds for parking, showers and rest rooms will be provided even though no building can be erected. Buildings have been available all along through government surplus sales but the Chamber has no budget for such things. Cameron is visualized as a labor center during harvest times.

Miss Mary Jane Matula is recovering nicely after a serious operation at St. Edwards Hospital.

311 REGISTERED HERE FOR HIGH SCHOOL

A total of 311 students had registered at Yoe High School for the fall term to open Monday, September 13, it was reported by E. M. Layfield, Principal.

The number reported by Mr. Layfield registered on the first day. Others may register before the opening to bring the number well over 400.

Here are the divisions of the registration: Seniors 64, Juniors 88, Sophomores 79, Freshmen 79.

Registration for the fall term at the Ada Henderson School will begin on Monday, September 13 under the direction of C. L. Cassady.

Phone your news items to 292.

"Thunderbolt" Wins In Waco Horse Show

"Thunderbolt", 4 year old horse belonging to R. G. Grisbeir won first place in the Plantation Class at the horse show in Waco Sunday.

The show was held at the Veterans Hospital for the benefit of the veterans. It was sponsored by the Ellis Veterans Commission. Mr. Grisbeir in reporting the show said that several thousand veterans and horse fanciers were on hand.

"Thunderbolt" has never lost a show. He has entered three and won each time. Now he is a blue ribbon winner in one of the classic shows held in this area of the state.

Jerry Marek of Corpus Christi and George Marek of San Antonio visited in the home of their uncle, Mr. and Mrs. F. A. Marek this week.

BUDGET ADOPTION TO COME IN SEPTEMBER

The City Council raised taxes because the government needs more money to pay the running expenses of normal administration.

The new 10c increase will bring in about 4 thousand dollars. Under the law the Council could have levied 25c increase. It can increase taxes 25c on the 100 dollar valuation each year until a full dollar has been added to the rate and that will bring the tax payer's head up to another ceiling.

The new tax hike was received with mixed expressions Thursday. Most were inclined to oppose it, some recognizing that the council must have more money if it wishes to carry the usual methods into administrative perpetuation.

The city's budget is fixed in September and not August it was said by W. H. Stafford in calling attention to an error in the Daily Herald Wednesday. The raise in taxes was made in advance of the budget fixing, but evidently the city council had determined that such a hike would be necessary.

When the budget is finally adopted the council will have an opportunity to cut out expenditures not necessary. If they choose to keep things as they are, nothing will be cut out. A revision of the system would result in savings. This no council has been willing to undertake in recent years.

The increase costs of operation has hit cities the same as individuals and business. Unfortunately a business man can and does revise his system. A city, fallen into the customary rut, rarely ever wakes up until it is too late. Increasing tax rates to pay for overheads is something to think about especially since the city is already spending $1.10 out of a total of $1.50 for running expenses.

The increase put into effect by the Council means that property owners will pay a dollar more on each 1000 valuation. If a home owner is assessed $5000 he will pay $10 more in taxes. If a business firm is assessed $50,000 that business will pay $50.00 more and so on up and down. Actually the increase will not be too burdensome but the door comes nearer to closing on needed bond issues.

Night Prowler Is Sought By Officers

A night prowler seen hiding in a hedgerow near the Vaughan Jenness home at 3 a. m. Wednesday was fired on by Jenness but so far as known escaped injury.

Officers have answered several calls from homes in that area during recent days. The man, according to Sheriff Black was seen by Mr. Jenness in the hedge between his home and the Jim Barrett home. Mr. Jenness fired one shot from a 22 rifle.

Sheriff Black and deputies have been constantly on the watch and hope to apprehend the offender. At another home last week, a man, believed to be the same, was discovered looking through the window. He escaped as officers drove quickly to the neighborhood.

Mrs. Annie Reese had as week end guests her daughters and family, Mr. and Mrs. W. H. Kleypas and son Kenneth of Hobbs, New Mexico, Mr. and Mrs. W. F. Whites and son Charles of Austin and Mr. and Mrs. T. W. Hughes and two children of College Station.

Pastor Wendell Carr And Mrs. Carr Hosts To Many Visitors

Visitors in the home and Christian Church services of the Pastor Wendell Carr, and family on Sunday and Monday were the following: Mr. and Mrs. Richard Sherman and Anne Marie of Weslaco, Mr. and Mrs. Chas. Silkwood of Weslaco, Mr. and Mrs. Rollan J. Carr of Victoria. Mrs. Sherman is the daughter of Mr. and Mrs. Wendell Carr and remained for a two week visit in their home along with her daughter, Anne Marie. Mr. Silkwood is the brother of Mrs. Carr and is an employe of the Post Office in Weslaco. Rollan J. Carr is the brother of Mr. Carr and is manager of Anchor Lumber Co., of Victoria as well as building consultant. He is known in Cameron as he is a property owner in Milam county.

CONNIE ELAINE MITCHAM DIED HERE THURSDAY

Connie Elaine Mitcham, 16 months, died 1 nBt. Edwards Hospital here at 5 p. m. Thursday. She had been ill for only a short time.

Funeral services were to be held from the Buckholts Baptist Church at 2 p. m. Friday, September 10 with interment in the Corinth Cemetery. The body will remain at the Marek-Burns Funeral Home in Cameron until the hour for services on Friday.

Surviving are her parents, Mr. and Mrs. Glenn Mitcham of Buckholts, one sister Wanda Lou Mitcham of Buckholts. Her grand parents are Mr. and Mrs. Vivian Mitcham of Sharpe and Mr. and Mrs. Will Gilbert of Buckholts.

Mrs. Alice Todd underwent an operation at St. Edwards Hospital Tuesday of this week and is reported much improved. Mrs. Todd is with the Western Union here and her many friends wish her a speedy recovery.

Mr. and Mrs. Chas. Hicks spent Tuesday in Austin on business.

R. J. Rice, justice of peace of Bell Arnold transacted business in Cameron Thursday.

Calf Show Here Is Re-Scheduled For Sat., September 18

The calf show by FFA boys scheduled for Saturday, September 11 will be held here on Saturday, September 18 it was announced by LeRoy Thompson, Agricultural teacher at Yoe High School.

The show was to be a part of the Lions Club Carnival program but the club program was put off when women raised objections to alleged gambling devices contemplated as a part of the entertainment.

The calf exhibit will feature a number of breeds and Thompson says it will be a real display of progress among the boys.

E. F. Paschall of Milano spent several days in Austin last week.

SON TO THE WATTERSONS

Mr. and Mrs. J. W. Watterson of Bryan are the proud parents of a son born at St. Joseph hospital in Bryan September 6, 1948. The baby weighed 9½ pounds and has been named, Weldon Lane. The Wattersons have another son and daughter. Mrs. Watterson will be remembered as Dorothy Posey.

LACK OF RESERVES IS SERIOUS HANDICAP

The Yoemen were back on their workout ground Monday, pretty sore from the beating they took Saturday night while polishing off the Class AA Burbank team in San Antonio.

Coach Leo Jackson was worried some. There is an old football gauge that says no team is stronger than its reserves. Well, the Yoemen have 28 men on the squad. Loss of lettermen from the 1947 team reduced the starters this year to one man. He is Howard Beale, full back.

Cameron football needed two things as the 1948 season unfolded. They are reserves and correct information on play by play accounts of the games. For instance both the radio and the newsappers credited Beale with a 48 yard sprint against Burbank when as a matter of fact it was John Matula who raced away to lay the ball on the 2 yard line that set up the second score of the ball game.

On the last score the radio announcer said that John Moseley had scatted for 50 yards or more for the score. Truth was that Alton Fuchs, new comer whose picture does not appear in the program, and who is the man under in the T formation, pulled a sneak from quarter and ran all the way.

These do not detract from the men who are erroneously given credit for runs and plays, but they do represent a poor system for accuracy. The Yoemen need an official play by play scorer who can set up his notes for the record book and furnish newspaper copy.

As it looked Tuesday the Yoemen will be playing a hard game Friday night in Caldwell because they came out of the Burbank game pretty sore and bruised, no bad injuries. They were keyed pretty high for that game and may have a let down.

Of course Cameron should and will defeat Caldwell easily. But Old Leo is taking every precatution and it looks good. Next Friday Brenham comes to Cameron. They lost a good many letter men but should be primed for a good fight.

Mr. and Mrs. Buford Dobbs and family recently visited in the home of his mother, Mrs. Melvin Weems.

Phone your news items to 282.

CAMERON WELCOMES FACULTY AND STUDENTS

Cameron's largest enterprise—the public schools will formally open Monday, September 13 for the fall term.

A check up Saturday revealed that the school system is functioning well under Superintendent W. T. Hanes and the doors will swing open Monday to some 1200 students in the high and grammar schools.

Registration has been under way all this week and indications were that the 1948 term would begin with a number of students as large as 1947.

Rural children usually start later than those living in the cities and in time the enrollment will be larger than on opening day.

The school system is more fortunate this year than in the immediate post war days in that the faculty is fully staffed. There are no vacancies anywhere.

For the next 9 months the schools will have the spotlight of major interest and Cameron was delighted to extend a welcome to students and faculty on the event of the beginning of the fall term.

Mr. and Mrs. William W. Boyd of Oakland, California have moved to Cameron to make their home, where Mr. Boyd will be connected with Gregory's General Tire Sales Company. They are residing on third Street. Their daughter, Barbara Lou, who is thirteen years of age will attend school here.

Quit that fussin'.

From where I sit ... by Joe Marsh

"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattlemen and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get together now and then for a barbecue and a friendly glass of beer."

And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

Joe Marsh

RECRUITING STATION OPENED IN CAMERON

Direct enlistment for duty in Europe is now available to qualified young men who wish to serve with either the First Infantry Division or the U. S. Constabulary, Sgt Caperton, of the Cameron Army and Air Force Recruiting Station announced.

Men without previous military service are eligible to take advantage of this offer as are veterans of all branches of the service. Direct enlistment for these two units is authorized between September 1 and November 30, 1948.

Sporting a bolt of lightning on its insignia, the hard-hitting Constabulary is considered one of the U. S. Army's best trained and most versatile teams. It was organized soon after the Nazi surrendered in World War II, its chief functions being to act as a military police force and as a mobile striking force within occupied territory. The members of the select group wear distinctive uniforms, including boots, riding breeches, and a yellow scarf instead of the usual regulation necktie. Vehicles employed by the Constabulary range from jeeps to tanks which are supplemented in the air by light observation planes.

Both the U. S. Constabulary and the First Infantry Division are now stationed in Germany.

Sgt. Caperton urges young men who are interested in this unusual offer to contact him at the Cameron Army and Air Force Recruiting Station for complete information.

P. L. Downs Is Guest Speaker at A&M Club Barbecue Here

P. L. Downs, was guest speaker to approximately thirty-five aggies and their wives attending a picnic at Wilson-Ledbetter Park Thursday night.

Mr. Downs gave an interesting discussion on events at A&M. At present he is connected with the Aggie Public Relations Department.

He is a graduate of the class 1906, and a former member of the board of directors of the college and served as chairman of the school's expansion program.

K. D. Fuller and son Delmar of Houston were holiday guests of Mr. and Mrs. N. D. Fuller and Mr. and Mrs. W. O. Rinn.

Mrs. Winnie Herron of San Gabriel was a Cameron visitor Friday.

BLOW FOR BLOW IS NEW BERLIN POLICY

Authoritative sources said today that the United States and Britain are moving jointly to counteract Russia's power play for control of Western Europe.

The moves, they said, are based on a belief that the Soviet-inspired crisis in Berlin may be be the first step in a final, reckless Russian campaign to wreck the Marshall Plan and seize power in both Germany and France.

The Anglo-American strategy, it was said, is to meet every Russian maneuver on the political and propaganda fronts with a counter weapon —to meet "power with power and words with words."

These sources cited six new developments which indicate that steps already are being taken to stem the Soviet threat:

1—The vanguard of a 35-ship American fleet arrived at Gibraltar today for a redezvous with the powerful British armada now in Mediterranean waters .

2—London reports said substantial progress have been made on plans to speed American military co-operation with the nations of Europe's Western Union.

3—Defense Secretary James Forrestal took steps to secure release of a $103,000,000 appropriation to boost American aircraft production.

4—Military observers said recent air maneuvers over Berlin had gone far toward solving problems in the way of integrated use of 90 American Superforts stationed in England with Britian's potent Royal Air Force.

5—The State Department dispatched one of its top-level agents to Europe to smooth the way for a United Western Power stand against Russia at the forthcoming meeting of the Council of Foreign Ministers and the United Nations General Assembly.

6—London reported Britain had completed plans for reinforcing its overseas army.

Harold Davis Wins Jesse Jones Award At Negro University

Harold Davis has won a $250 award at the Prairie View University for negroes, it was announced at the O. J. Thomas high school here.

Davis won over 35 applicants for the Jesse H. Jones award at the university and is the first graduate from the colored high school here to receive a scholarship this year.

Davis is the third student from the O. J. Thomas School here to receive such an award from Prairie View.

SENSATIONAL PLAY IS FEATURE OF FIRST WIN

Playing the brnad of football that was won for them three district titles in a row the Yoemen defeated Burbank a Class AA team in San Antonio Saturday night 20 to 0.

In achieving this surprising victory the Yoemen have taken their places in the vanguard of the conference flag race and served notice they should not be counted out.

Coach Leo Jackson told the Daily Herald that his boys played sensational football and there was no secret about his being very proud, along with Dick Young, line coach, whose line gave up only about 50 yards while the Yoemen were getting 250.

The Yoemen generally said they had not read the press notices of late and did not know that Burbank Bulldogs were rated so high. San Antonio newspapers predicted Burbank by two touchdowns. The Herald gave them one touchdown. The Yoemen kicked over the dope buckets and the game was only a few minutes old when they had scored a touchdown

The fireworks started when Robert Zotz, Cameron right tackle, pounced on a Bulldog fumble. Cameron kickoff to Burbank at 6:30 and the stands were sparsely filled, only about 6000 people present. Burbank tried some passes and failed and then after advancing the ball back to their own 49 it happened Cameron got the ball as Zotz broke through and recovered a fumble.

Alton Fuchs the quarterback for the Yoemen, on the first play dropped back and shot a pass to Bob Wilkinson who carried the ball to the Burbank 26. Cameron completed every pass attempted and did not have an interception. It was John Matula next who took a hand off from Fuchs and raced 16 yards to place the ball on the 10. Howard Beale who pounded the Bulldog line all night took it to the 5 and then got another yard. John Moseley who played sensational ball all night got another yard and then Beale carried it over. Wilkinson laced it through the uprights and Cameron was out in the lead with 7 points.

Just before the half ended Burbank made the only threat of the night. By passing and running they got the ball to the Cameron one but the Yoemen line held and they took over on downs. Pete Ankrum raced 29 yards to the Cameron 21 to set up the scoring threat.

Cameron scored again early in the second half. It was big Howard Beale this time for the second longest run of the night. He tore through and raced around 40 yards to the Bulldog 2 and Little John Moseley then went around right end for the score. Wilkinson then kicked goal and it was 14 to 0.

The thrill play of the night was made by Alton Fuchs, Yoemen quarterback. It was late in the final quarter. He dropped back as if to pass and finding no receiver for the moment flashed through and raced 50 yards for a touchdown. Wilkinson missed the extra try and the final score was 20 to 0. Burbank in the closing moments tried some long passes and advanced the ball past midfield but it was hopeless as the sands ran out on them.

Miss Gladys Jewel Martin will enter State University at Austin this month. Miss Martin has been with the State Department of Public Welfare in Cameron around five years and has given good service to her job, She is the daughter of Mr. and Mrs. J. J. Martin of Cameron, and will be missed by many of her friends here.

ONE BOMBER IS SHOT DOWN THREE SEIZED

The Russian Air Force shot down one American B-29 and seized at least three others during the last years of the war, and is now mass-producing a similar bomber, the Air Force disclosed today.

A fifth B-29 presumably crashed in Russia territory. Five other U. S. warplanes were held by the Russians after making forced landings in Soviet territory.

The official announcement was issued in response to inquiries about a series of articles written by General Carl Spaatz, retired Air Force Chief of Staff, in Life Magazine.

It confirmed Spaatz's report that the Soviet Union began volume production in early 1947 of the Tupelow TU-70, a precise copy of the B-29.

It also revealed an incident not related by Spaatz and never before made public.

Russian fighters deliberately shot down a B-29 when Americans were attempting to land relief supplies for an American prisoner-of-war camp near Kankown, Korea on Aug. 28, 1945, the Air Force said.

Lt. J. W. Queen and a crew of 12 others connected with the 500th Bomb Group on Saipan were carrying out the mission.

Miss Myrtle Hinton spent the week end in Houston with relatives. Her mother, Mrs. Dora Hinton will return to Cameron with her after spending several days in Houston.

Mrs. Hubert Colburn and Jimmy Rae, Mrs. E. C. Cole, Mrs. Alva Sanders and Carol Ann spent Wednesday at San Jacinto Battle Grounds in Houston and while there toured the Battle Ship, Texas.

Lane Horstmann, who is employed in Louisiana is spending this week in the home of his parents, Mr. and Mrs. O. B. Horstmann and other relatives and friends in Cameron.

Friends will regret to learn of the death of Mrs. Floyd Ginn who died in an Atlanta, Georgia hospital Tuesday, September 7. Mrs. Ginn formerly lived in Cameron before her marriage. She was a sister of Mrs. Ike Ledbetter. Burial was made in Atlanta.

Walter Malone and David House made a business trip to New Mexico this week.

THE CAMERON HERALD

ESTABLISHED 1860.

Entered in the Post Office at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 3, 1879.

JEFFERSON B. WHITE
Editor and Publisher

TELEPHONE—
(continued from page one)

tablished 27 years ago, when Cameron had less than 750 telephones as compared with 1,415 today.

"With more than 50 families and business concerns waiting for telephones, we are faced with the problem of enlarging the telephone system here at a time when costs are at the highest level in history", Carson said.

An extensive program to improve and expand telephone service is planned for 1948 and 1949, the manager said.

The program includes installation of two more sections of local switchboard and 200 additional subscribers lines in the central office here, expansion of the network of cable and wire in all sections of the city, construction of rural facilities as soon as lines and cables available to provide telephone service for 150 more families living on farms and in nearby communities.

Four additional long distance circuits should help Cameron's calls to other cities. Two of these, from Cameron to Austin already are in operation. Two additional direct circuits are scheduled to be added before the end of the year, one to Houston and one to Dallas.

"We are proud that we have been able to enlarge Cameron's telephone system to provide nearly twice as many telephones without increasing rates which were established in 1920" Carson said. "Now, however, costs of furnishing telephone service have risen so rapidly that the only solution is a reasonable increase in rates".

POOR FARM—
(continued from page one)

conditions of utmost privation. Floors are rotting and walls with entire planks gone. Their plight is terrible in winter. Both are very old and feeble.

Mr. and Mrs. Allen told The Daily Herald that the allowance for food is just about half enough under present inflation prices. Mr. and Mrs. Allen, can things in season to supplement the rations. They get no pay for this. They do all they can to see that the poor get food but they never have enough.

They get no meat. They have beef stew once a week. They get bacon once a week. In the main they subsist on cereals, light bread and brown beans. They get vegetables as often as it is possible to get them. If the farm were properly supported it could be well up to self sustaining. It's worse than a shanty on a hill side. The land is not worked, cannot be worked because there are no fences, no barns, no gardens, nothing but weeds.

During the polio cleanup there was nothing done at the poor farm. Mr. and Mrs. Allen say they have gone before the court. Once they were told "You should be satisfied." They said their requests for improvements are never heard from. They seem indifferent at the court house.

Citizens plan to meet with the court tomorrow and to ask that these conditions be abolished. It is not likely that the court will meet their requests, but may take the matter under advisement. In time interest whipped up by focus of attention on these conditions will die out and nothing will be done.

On the other hand it is to be presumed that the Court is just as anxious to end this situation as are the people who request it. In that case some way may be found.

In passing it should be said that the Poor Farm, with certain exceptions is no more pathetic than the county's system of taxation. Its methods are 50 years behind times. The county government will never function in the light of modern needs until it is awakened to its full responsibilities.

Elizabeth Hassler New Secretary At Methodist Church

A new addition has been made to the staff of the First Methodist church. Miss Elizabeth Hassler of Port Neches, Texas, will take the place of Miss Frances Way, who left last week to attend Centinary College, Shreveport, Louisiana. Miss Hassler will serve as director of religious education and church secretary.

Miss Hassler graduated from Lon Morris College, receiving the Founder's Award in 1943. She is also a gradaute of Southern Methodist University where she was included in Who's Who In America Colleges and Universities in 1946, and received her B. A. Degree.

For the past year she has taken specialized training in Perkins school of Theology, receiving a bachelor's degree in Religious Education.

Milton Jistel is attending school at SWSTC, San Marcos this term.

CAPT. S. E. MALONE IS NOW ON IWO, JIMA

IOWA, JIMA, Aug. 21—Captain S. E. Malone, son of Mr. and Mrs. Elmer Malone of Genoa, Texas holds one of the most important positions on the Island of Iwo Jima. He serves as operations officer for the central air force base command. He is also commanding officer of an organization.

Capt. Malone saw service in England, France and Germany during the war serving as a P-38 pilot. He became a prisoner of war in October 1944 and was released at the end of the war.

Captain Malone holds the distinguished Flying Cross, the Air Medal with eight Oak Leaf Clusters and numerous theater ribbons. He also has four enemy planes to his credit.

Graduating from the Cameron High School at Cameron, Texas in 1936, the captain first saw service that same year when he enlisted as a private at San Antonio, Texas.

He was assigned to Iwo in April of this year. Tiny Iwo, lying battle-pocked and steaming halfway between Guam and Tokyo, gets bigger every time it rains. Gully-washed downpours often escorted by typhoons carry tons of soil out to sea. The shoreline has marched seaward 30 to 40 yards to meet the Rusting Hulks still remaining from the February 1945 invasion Armada.

Peacetime life on the "Rock" isn't easy but Captain Malone likes it's comparative isolation and the informality of outpost life.

Presbyterian Auxiliary Meets With Miss Marek

Circle No. 1 of the Presbyterian Auxiliary met Monday afternoon at the home of Miss Olga Marek.

Mrs. Thomas gave a devotional on "The Prophets Point the Way" after which Mrs. Ladis Marek gave a talk on, "The Sunday School in the Program of Progress."

At the conclusion of the meeting a social hour was held and one of the members was complimented with a surprise shower. A refreshment course was served.

Very little hope was held out for an agreement. Each country will then issue a White Paper for history and Russia will have won a victory.

Mrs. A. J. Rippee of Long Beach, California has returned home from a visit with her mother, Mrs. S. E. Kennon and brother in Cameron.

Printing is a home industry.

OUR TOWN—

(continued from page one)

As long as the world stands we are apt to have proverty and human misery. True, we have Utopian theories about economics, but great progress has been made along the line of Mans Humanity to Man.

The establishment, years ago, of the Milam County Poor Farm, was a noble acknowledgement of responsibility for those less fortunate. It is not to be presumed that there still does not exist a wide spread compassion among those more fortunate toward those who by the inevitable laws of failure, must taste the dregs of a drab existence.

We must not assume that those in places of responsibility will fail to do what they can to remedy conditions that are overly bad. We must, however, forge a closer co-operation between the county government and the people at large for purposes other than winning office. A government has definite responsibilities to the people, especially in the administration of funds allocated for such worthy purposes as caring for the men and women who must somewhere find a haven to sustain their lonesome, latter days.

The people as a whole have a responsibility toward their government that should be expressed in more commendable ways than the age old gripe about taxes.

This column believes in the ultimate fairness of the average man and woman who holds public office. It believes that these same men and women have as high an interest in benefits from taxation as those who too often feel nothing is being done. That there is neglect and failure we all agree.

When we see the woeful lack of proper care of those whom "we have with us always," we are apt to become bitter. But let us be firm enough to demand corrections and at the same time credit those with that responsibility with willingness to help. Of course it goes without dispute that the responsibility is squarely on the Commissioners Court.

Disintegration can happen to a people as well as to a government. We become virile or puerile in a civic and economic sense accordingly as we function in the field of usefulness. More and more we must realize, before it is too late, that we have fallen far short of our responsibilities. Failure and neglect over such needs as the Poor Farm may also be said of our policy about roads and other things tax money should buy. As it looks from here there is a joint failure on the part of both the Court and the people for one will be progressive accordingly as the people are awake to their needs and transalte them into demands, at the ballot box if need be, to save us from total isolation.

Thinking about things to be done and getting something done are quite two different things. It's time to dust off, to be done with old methods.

JOHNSON—

(continued from page one)

forgive our enemies."

The convention adopted a credentials committee report kicking out several delegates from Robertson county labelled as unwilling to take the party pledge.

A proposed resolution calling for an investigation of the run-off primary was left with the resolutions committee but died when no one formally offered it.

The convention voted overwhelmingly to ask the national committee to replace Wright Morrow of Houston with Byron Skelton of Temple as national committeeman from Texas. Morrow, who succeeded Myron G. Blalock at the May convention, has been under fire as a state rights sympathizer.

It went down the line with its purge, eliminating from the state executive committee all those even faintly suspected of state's rights leanings. This included Mrs. R. A. Thompson of Goliad, who was replaced by Mrs. Claude Hudspeth of San Antonio as vice-chairman.

The committee on party officers recommended re-election of Robert W. Calvert of Hillsboro as chairman of the executive committee. He told the convention he wanted to retire, and moved that John C. Calhoun of Corsicana, close friend of Jester, be substituted for him.

The convention followed Calvert's wishes, although the voice vote loudly expressed is confidence in Calvert.

GOING TO GET HOT

The cool weather the past few days has just about ended. Temperatures will begin to climb by Thursday. Showers were predicted for East Texas. On the whole the state will get sunshine. It will be much warmer by to-morrow.

DREAD DISEASE STAGES RETURN TO THE COUNTY

Milam county has two cases of polio the first since June.

Dora Patricia Holland of Cameron was taken to the Crippled Childrens Hospital in Waco late Saturday and Jeanette Belt of Milano, grand daughter of Mr. and Mrs. Arthur Belt is also in the Waco hospital. Both have poleomilitis.

According to information to The Daily Herald both cases are apparently light. Local health authorities could give this newspaper no information so a telephone call was placed to the Waco Hospital.

Dora Patricia is being returned to her home here late Monday. Hospital authorities told The Herald that she had only a slight involvement and with proper home care in which parents are instructed she will recover.

There was no immediate information on the exact condition of Jeanette Belt.

A. R. Stecher who has been ill for some time and has been a patient in Scott and White Hospital in Temple is at home and improving nicely. His many friends wish him a speedy recovery.

Hal Clifton and family of Rosebud visited his mother, Mrs. Lucy Clifton last week.

Members of the Junior Department of First Methodist church will go to Waco Sunday afternoon, to visit the Methodist Home.

Mary Frances Kennon, 11-year-old daughter of Mr. and Mrs. J. A. Kennon, Route 3, Cameron, this week was enrolled as a student for the 1948-49 school year at San Marcos Academy. A former student of the Marlow School, Miss Kennon is now in the sixth grade at the Academy.

Mr. and Mrs. Buford Dobbs and family recently visited in the home of his mother, Mrs. Melvin Weems.

Jack West of Houston spent the week end here with his boyhood schoolmate, Nat B. Wofford. Jack formerly lived in Cameron and has since made his home in Houston.

Miss Zoe Davis of Austin was a guest of Mrs. J. W. House of Cameron recently.

Frank Graham of Davilla visited in Cameron the past week.

HAVING TROUBLE

Getting The Missus To Stay Home?

Are the folks usually gone and meals late when you get home? Try letting the lady of the house fix up with new furniture, appliances, and modern kitchen aids. Make the place more livable and she will be there when you get home from work. The financing is easy when you buy on easy terms from us.

4-piece bedroom suite—round mirror—panel bed—chest of drawers and bench (slightly used) $89.50

Mexican Colony Here Plans Big September 15 and 16 Celebration

Plans were under way and well advanced for the September 15 and 16 celebration by the Mexican Colony.

The patriotic celebration, an annual event here, will take on added interest because of the dedicated platform on their own properties on South College avenue.

The celebration will feature varied entertainments with a big baile each night. Proceeds from the celebration will go to the fund out of which their property will be further improved.

In a good neighbor gesture here Saturday, September 4 a sum of money was presented by the citizens at large and there were many to participate in the dedication ceremonies.

The Wesley Service Guild of the Methodist church met Monday night in the basement of the church for a brief business meeting. The president, Marie Brod presided. Mrs. Lee Lemons gave a devotional and Mrs. Bess Triggs gave an inspiring talk entitled, "By His Light Shall The Nations Walk".

Mr. and Mrs. Billy Mack Williams have returned to their home in Freeport after spending their honeymoon in San Antonio and other places of interest. Before returning to Freeport they visited in Cameron for the past week end.

MILANO NEWS

Members of the Methodist church were hostesses to a surprise party at the parsonage Friday night in honor of June Westbrook, who left Sunday for San Marcos to enter college.

A number of games were enjoyed by a large crowd, after which a refreshment course of ice cream and cake was served.

In recognition of her good work as pianist at the church for the past two years she was presented with a beautiful radio from the church. She also received other gifts from friends.

Following the party the guests gathered at the church to sing hymns Miss Marion Braun of Dallas played several selections.

At the conclusion of the party Miss Westbrook received many wishes for a success in her new work.

The following Milano students are leaving for college this week. Ovis White, June Westbrook and Jack Wilkerson, Jr., will go to San Marcos; Gene Blackmon and Jackie Burkett for Texas University in Austin; E. C. Westbrook will return to Huntsville where he will continue on his master degree. He will receive his Bachelor degree there this summer.

Mr. and Mrs. Clyde Jackson, Mr. and Mrs. Jack Stewart and baby returned to their home after a pleasant visit with their son and brother in Maryland. They also visited in near by states, and report a most enjoyable trip.

Mr. and Mrs. Ray Hardison, Miss Lottie Butts, Miss Joyce Wise and Miss Gertrude Jones teachers at Hutto and Thrall spent the past week end here at their homes.

Mrs. Ida Howes had all her children at her home Sunday to celerate her birthday. They returned to their homes Sunday afternoon.

Mrs. Williard Peirce accepted a place with the Gause school and began work Mo4nday.

Mr. and Mrs. Nick Brennan of Lexington spent Sunday with his mother, Mrs. Bessie Brennan.

Mrs. Collie Gerdes and children of Caldwell spent the week end here in the home of Mr. and Mrs. Carlos Sloan.

Mrs. E. P. Warren and son of Tuscaloosa, Alabama and Mrs. C. H. Shurdan of Bakerfield, California are visiting friends and relatives in Cameron and Milano a few weeks.

Lamard Smith of Elcentro, California has returned to his home after spending three weeks vacation in Cameron with relatives and friends.

Mrs. W. C. Allen made a business trip to Houston one dal this week.

Oyster season is here! We serve Louisiana oysters, fried or cocktail. Also shrimp or cocktail. Delicious steaks and fried chicken. October first we will serve real Mexican food—consisting of Tacos, Tortillas, Spanish rice, Chili and hot tamalas all prepared by a Spanish Senorita.

Billie and Willie Fletcher spent Friday, Saturday and Sunday with friends and relatives in Waco and Clifton.

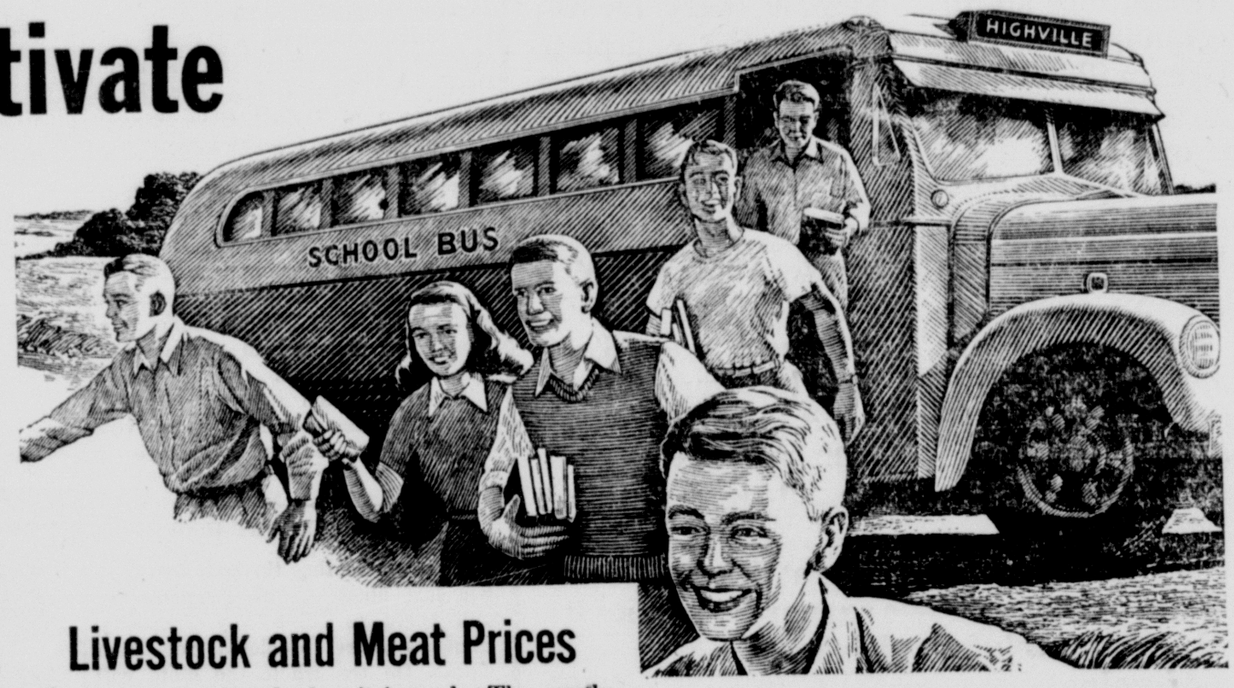
WHITE SWAN COFFEE
BRIGHT SPOT OF EVERY MEAL

A Crop to Cultivate



America is famous for good crops. But finest of all is the bumper "crop" of 11,000,000 boys and girls growing up on our farms and ranches.

Trained teachers and leaders are helping cultivate this bumper crop. Vocational agricultural teachers in over 7,000 high schools do their part. Most of these schools have Future Farmers of America chapters. Membership of F. F. A. is 250,000. In their "outside classroom" work they receive additional on-the-job training from their vocational agricultural teachers. They learn to accept leadership responsibility. On graduation, many go directly into farm or ranch management. Others go on to agricultural college.

County agents and over 180,000 unselfish volunteer leaders do another great job through the 4-H Clubs. Through 85,000 local 4-H Clubs, more than 1,750,000 boys and girls get invaluable training. Advice, encouragement, know-how from practical experts. Their projects keep them abreast of what is new in agriculture. They learn through doing. Achievement and leadership become habits.

It is well that American agriculture has these leaders and teachers. By teaching the *business* and science of farming, they are helping make life on farm and ranch rich and profitable for a new generation of Americans. They are showing them the way to economic security and a good way of life. Better farm planning; power machinery; scientific modern methods; control of weeds and plant and animal pests . . . All these our farm and ranch youth are learning. In many ways they are qualifying themselves to be better managers of land and better businessmen. They are increasing their knowledge of science and selling—of machinery and markets—of costs and conservation.

Swift & Company has always been proud to encourage farm youth activities. We shall continue to do so. We have no doubt or fear for the future of America. For, properly cultivated, this crop will ripen surely into our nation's richest harvest.

Livestock and Meat Prices

Livestock is marketed when it is ready. The supply of animals coming to market at any one time is controlled by your decisions as producers. These decisions may have been made months previously, depending on your breeding and feeding program. The weather—blizzards, storms and droughts—also have a bearing on when you market your animals.

Meat packers have no control over the supply of livestock.

The meat packer must sell meat and by-products for *what they will bring*. When people have to economize, they spend less money for meat. Consumers, retailers and meat packers reduce their bids. The prices of both meat and livestock fall accordingly. But when people make *more* money, they are *eager* to buy meat. Then buyers all along the line *increase* their bids. And the prices of both meat and live stock *rise* accordingly. For each meat packer and each retail meat dealer knows that if he does not pay a little higher for the livestock or meat he wants, somebody else will—and get the business.

Thus the old law of supply and demand—plus competition in buying livestock and selling meat—forces price changes in meat to be reflected quickly all the way back to the livestock on the hoof. At all times the market price is a *balance* between the supply of livestock and the demand for meat.

16MM SOUND FILMS FOR YOUR USE

"Meat Buying Customs" "A Nation's Meat"
"By-Products" "Livestock and Meat"
"Cows and Chickens . . . USA"

Five informative films about the livestock-meat-packing industry. A few open dates remain for September and October. We'll be glad to send a descriptive folder which gives all details. Write Agricultural Research Dept., Swift & Co., Chicago 9.

Martha Logan's Recipe for
DINNER SIZE HAMBURGER

1 pound hamburger	¼ cup milk
1¾ cups soft bread crumbs	1¼ teaspoon salt
1 egg	⅛ teaspoon pepper
¼ cup chopped onion	1 tablespoon fat

Mix together all ingredients until well combined. Form into 4 large patties. Heat fat in heavy frying pan. Brown patties slowly on each side. Cover pan tightly, lower heat, and cook ten minutes longer. Serve with horseradish sauce, barbecue sauce, or tomato sauce. (Yield: 4 servings).

—Soda Bill Sez:—

Words are handy tools to explain experiences—but they're no substitute for experience.

A HUNDRED CENTS MAKE A DOLLAR

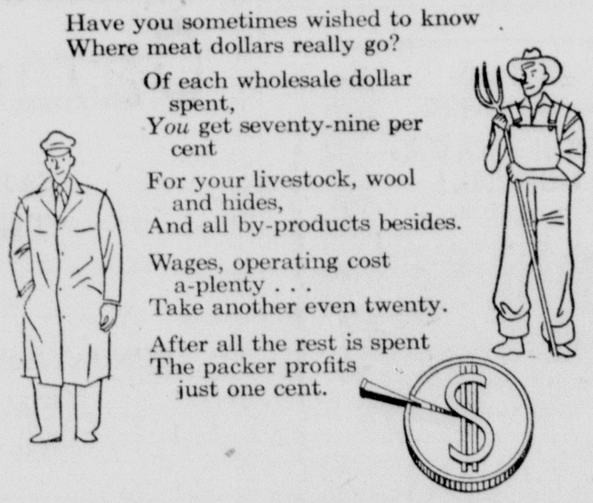
Have you sometimes wished to know
Where meat dollars really go?

Of each wholesale dollar spent,
You get seventy-nine per cent

For your livestock, wool and hides,
And all by-products besides.

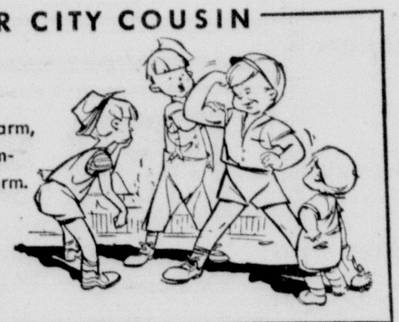
Wages, operating cost a-plenty . . .
Take another even twenty.

After all the rest is spent
The packer profits just one cent.



OUR CITY COUSIN

Wow! Look at City Cousin's arm,
He spent the summer on the farm.



It's a Two-Way Road

In my work with farmers and ranchers I have visited just about every part of this country. I can't begin to count the number of times I have traveled out of Chicago and back—to the range country of the West . . . through the Corn Belt states . . . the wheatlands . . . the cotton country—Florida, Maine, Washington, California and all the other states in between.

I do not know how anyone who travels much can help being impressed with the need for *team play* in America. As farmers or ranchers, your prosperity depends to a large degree on the ability of workers in industry to purchase the food and fiber you produce. Likewise, city businessmen know that your power to purchase their products is equally important to them. And all of us depend on the men in the mines, in the forests, in the steel mills, and oil fields.

But what we are apt to overlook is the fact that it is the earning of a reasonable profit which keeps all these businesses going, and all of us at work. Of course, profit *rates* vary. That depends on many things, including volume of business done. For example, here at Swift & Company we process millions of pounds of agricultural raw materials each year. On each pound handled, we earn an average profit of a fraction of a cent. Few could stay in business on the margin we meat packers earn. But whether one's business *volume* is large or small, *some profit* is essential to any individual or any enterprise.

And here's another thing. Often I hear someone say—"Those farmers are the lucky ones—completely independent!" I can't agree with them. I know, and you know, that you on the land *are* independent—*but only to a certain degree!* Of course, cities couldn't exist without the products of farm and ranch. Maybe you *could* produce your own food, clothing, shelter and fuel. But country living would be pretty grim without cars, telephones, radios, fences, tractors, windmills and modern labor-saving, comfort-giving equipment. *It is a two-way road!* Our standard of living in America is something we are *all* proud of. *It is the result of the profit system and of good team play.*

F. M. Simpson.

Agricultural Research Department

New Idea in Junior Feeding Projects

by T. W. Thompson
State 4-H Club Leader, Montana

T. W. Thompson

Boys and girls are trying out a *new kind* of livestock feeding project. In several states—including Montana, Nebraska, Colorado and Indiana—people are enthusiastic about it. Here is how it works. The boy or girl buys an *average lot* of feeder steers or lambs, from a uniform herd or band. The number bought is usually 3 or more steers, 15 or more lambs. That depends on finances, feed supplies and equipment available.

These lots of animals are bought at a central market. They are taken home and fattened. Careful records are kept of feed costs and rates of gain. At the end of the feeding period, they are shipped back to market. They are sold on Junior Marketing Day.

Boys and girls consign their animals to commission firms of their own choice. Upon arrival the animals are penned separately, according to ownership. Each lot is graded and weighed separately. Then all animals are assembled in pens according to grade. They are sold for slaughter in the usual manner used on that market. The boys and girls profit according to the *market value* of their animals.

Sponsors claim the following benefits: (1) It is practical. (2) It promotes better farm feeding methods. (3) Boys and girls learn about market grades of livestock. (4) They learn about central markets and their operation. This new idea in junior feeding is not intended to take the place of feeding for show. It is a separate project, to give youngsters practical experience in feeding for market.

RECORD COTTON CROP VALUE IS FORECAST

WASHINGTON, Sept. 8—A bumper 15,219,000-bale cotton crop, worth about $2,785,000,000 at current prices at the farm was forecast today by the Department of Agriculture.

Such a dollar return would be the biggest on record—half a billion dollars more than last year.

The new 1948 cotton crop forecast is 50,000 bales more than the 15,169,000 bales predicted a month ago. It is one of the biggest crops on record. It compares with 11,851,000 bales produced last year and a 10-year average production of 12,014,000. The farmers and the weather did it.

Yield per acre, computed at 313.2 pounds of lint, promises to set a new record, the agriculture department said.

The 1947 cotton crop (lint and seed) jingled $2,291,202,000 in farmers' pockets. If the crop predicted today pans out and the current farm prices hold, the return to farmers in the cotton country in 1948, one expert estimated, will be around $2,785,138,950.

This would break the previous record cotton crop return of $2,348,526,000 that farmers got in 1919.

Judge John Watson made a business trip to Austin Thursday.

Mrs. Raymond Lukas of La Grange spent a few days in Cameron with her friend, Miss Line Lange this week.

Mr. and Mrs. Leroy Kubecka of Dallas spent a few days in Cameron with his mother, Mrs. V. A. Kubecka. Mr. and Mrs. Leroy Kubecka and mother spent Sunday in Austin in the home of another son, Louis Kubecka.

Sgt. Teo W. Mitchell, of Cameron and son of Mr. and Mrs. T. O. Mitchell of Route 3, Rosebud, has entered as a student in the pharmacy technician course at Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston.

Printing is a home industry.

Three Things

- Good Paper.
- Good Presses.
- Good Type.
- Good Ink.
- Plus The Know How.

Produces good printing. Bad printing is a reflection on modern business.

September 16 and 17

FIRST NORTHER BRINGS RAIN TO DRY TEXAS

Summer heat seemed definitely on the wane in Cameron Thursday as the first cool spell of the year moved into this area.

Cameron had .43 inches of rain according to L. W. Smith of the Community Public Service Company. Temperature in Cameron Thursday morning was 68 degrees as compared with 101 on Sunday, a 33 degree drop. On Wednesday the high was 99 degrees and the low Wednesday night was 73.

A norther moved down from the Rockies and across the Texas Panhandle yesterday, hitting Cameron early last night and bringing blustery winds and rain along with a noticeable drop in temperature.

The cool wave gave Amarillo the state's lowest maximum—62 degrees—and .36 inches of rain. At Lubbock the temperature was 63 and 1:42 inches of rain fell.

Baseball games were rained out at Beaumont, Longview, Kilgore and Odessa.

Waco had 1.41 inches of rain but tied with Bryan for the state's highest temperature—99 degrees. Bryan had a .07-inch shower.

Laredo had a 98-degree maximum, Lufkin 98, Tyler 98, San Antonio 98, Crystal City 97, and Junction, Presidio and Houston 96.

Childress reported 66 degrees, Guadalupe 71 and El Paso 76.

Austin had .34 inches of rain, San Antonio .22, Midland .23, Clarendon .80, Corpus Christi .18, Victoria .17, Tyler .09, Alice .07, and Houston .02.

The Weather Bureau predicted scattered thundershowers in South Texas and on the Gulf Coast today and diminishing showers in the rest of the state.

Humble Will Begin Football Broadcasts With 3 Games Sat.

Saturday marks the beginning of the fourteenth season of broadcasting Southwest Conference football games by Humble Oil and Refining Company. Three interesting inter-sectional games are on the afternoon's bill-of-fare.

At 12:50 the first broadcast starts, originating from Franklin Field Philadelphia, where the Texas Aggies meet Villanova. Charlie Jordan will announce, and stations carrying the game will be WRR, Dallas; KFJZ, Ft. Worth; KTHT, Houston; WACO, Waco; KNOW, Austin; KMAC, San Antonio; KRIO, McAllen; KRBC, Abilene; KGKL, San Angelo; KBST, Big Spring; KCRS, Midland; KRRV, Sherman; KGVL, Greenville; KPLT, Paris; KCMC, Texarkana; KFRO, Longview; KTBB, Tyler; KTRE, Lufkin; WTAW, College Station; KFYO, Lubbock; KOSA, Odessa; KIUN, Pecos; and KROD, El Paso.

The broadcast of the Texas University-L. S. U. game from Memorial Stadium in Austin will start at 1:50 p. m. and will feature Kern Tips at the mike for the play-by-play report, assisted by Alec Chesser for color. Broadcast will be carried over stations KEYS, Corpus Christi; KTRH, Houston; KRLD, Dallas; KABC, San Antonio; and KRGV, Weslaco; and KTBC, Austin.

Also at 1:50 p. m. broadcast of the T. C. U.-University of Kansas game from Lawrence, Kansas, will begin. Bill Michaels will be the play-by-play announcer, with Jerry Doggett adding color. The game may be heard over stations KGBS, Harlengen; WBAP-570, Ft. Worth; KWFT, Wichita Falls; KTSA, San Antonio; and KXYZ, Houston.

Coke Trying To Throw Out Vote in Jim Wells Precinct

Coke Stevenson went to Alice yesterday and sought to throw out the returns from one precinct in Jim Wells county, charging fraud and error.

In Austin, Lyndon Johnson said that he was "not surprised" at the action.

Johnson was leading Stevenson by 122 votes in the U. S. senate race returns at the last unofficial tabulation on the Aug. 28 election.

An affidavit charging an error of "200 votes or more in the Jim Wells county returns as certified to the state Democratic executive committee" was filed in Alice with County Clerk, C. H. Holmgreen by Kellis Dibrell, San Antonio, agent for Stevenson. It also was signed by Stevenson.

Mr. and Mrs. Bill Culver of Houston visited in the home of her mother, Mrs. M. W. Price this week.

Miss Olga Schiller was a Cameron visitor one day this week.

TUESDAY MEETING TO BE HELD WITH STALIN

Diplomats usually find a way out by selling their people down the river but something was due to come out of the meeting Tuesday in Moscow where representatives of the Western Powers were said to be forcing a show down with Stalin over the Berlin crisis.

Stalin may not see the western diplomats. They have been cowering in Moscow for sometime and nothing tangible has come out of this kowtowing before the gates of the Kremlin.

Despite all the ridiculous things the western powers have done to appease the Reds, it was pretty certain that finally they may have agreed that the Berlin problem will be put up to the United Nations general assembly.

The Russians are now intimidating cargo crews flying food to Berlin. The cost already has been a number of lives and 24 million dollars.

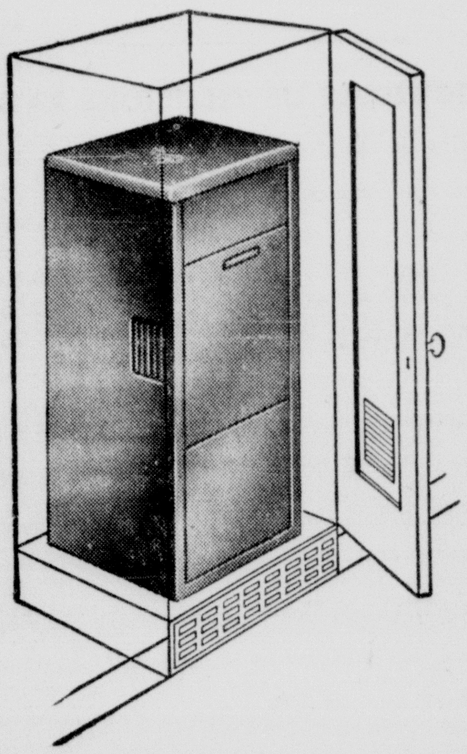
CLOSET furnace is for homes SMALLER than you think



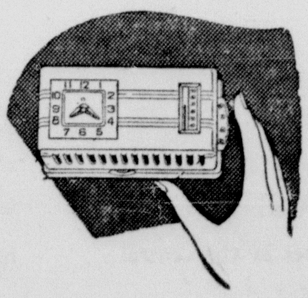
Automatic closet furnace for five to nine-room homes takes about same floor space as an overstuffed chair. Stands height of a floor lamp.

No basement or special room is necessary. A closet accommodates installation of this gas automatic central furnace.

It fits a small home's budget, too. It operates for about same low cost as usual flue-vented gas heating appliances. Like all flue-vented gas heating appliances, automatic closet furnace eliminates wall sweating and stuffy air.

If you are planning to build or modernize a small home and think you can't have luxurious central heating—change your thinking. Better still . . . call for scientific house heating survey.

Following his survey, house heating specialist can tell you location, size and cost installed of automatic closet furnace for your home.



Closet Furnace Automatic Control gives you added convenience, health protection and fuel savings.

Call your closet furnace dealer or Lone Star Gas Company today

Earline Angell and Billy Mack Williams Married Here Sunday

Miss Earline Angell, daughter of Mr. and Mrs. Earl Angell of Cameron became the bride of Billy Mack Williams, son of Mr. and Mrs. Lee Williams of Calwell at the First Presbyterian church in Cameron Sunday afternoon, September 5 at 5:00 p. m.

Dr. W. R. Hall, minister of the church read the double ring ceremony before an altar arrangement of gladiola and fern in standard baskets.

Before the nuptials, selections of "I Love You Truly", "Always", "Oh Sweet Mystery of Life" and "Indian Love Call" were softly played on the organ by Max McClaren, who also played "Lohengrin Mendelson" wedding march and Mrs. Inez Collins sang "Because" and Greigs "I Love Thee".

The bride given in marriage by her father was gowned in white slipper satin with tiny covered buttons. Her finger tip veil fell from a cornet of seeded pearls. She carried a white gladiola bouquet with white satin streamers.

Miss Pauline Williams, sister of the groom was bridesmaid, and wore a blue gown with a colonial bouquet of pink chrysanthemums. Pat Williams, brother of the groom served as best man.

Ushers were Charlie Frank Angell, Melvin Dorner, Edward Williams and Manuel Jackson.

Mrs. Angell, mother of the bride wore a navy printed afternoon frock with navy accessories and a gardenia corsage.

Mrs. Williams, mother of the groom wore a powder blue suit with navy accessories and white gardenia corsage.

Following the wedding a reception was held at the home of Mr. and Mrs. J. H. Angell on South Nolan, Cameron. A three tiered wedding cake was served by Miss Edna Angell. Miss Martha Williams presided at the punch service.

The bride is a graduate of Yoe High School and was employed in Freeport. The groom is a graduate of Caldwell High School and employed in Freeport.

After a wedding trip to San Antonio the couple will live at 1103 West 4th street in Freeport.

The bride's going away dress was a black taffeta suit with black gloves, shoes and bag with an off the face pink hat.

Out of town guests for the wedding were: Mr. Low Ebenspacher, Mrs. R. L. Mann, Mrs. Tom Skinner and Jean, Mrs. Bill Avrett, Miss Pauline Williams, Miss Shirley Williams, Edward Williams, Mr. and Mrs. Euel McClure, Mr. and Mrs. S. R. McClure from Freeport, Miss Eunice McClure of Robert Lee, Mr. and Mrs. Quinn Plant, Mrs. Sam Harmon, Mrs. F. W. Jannett, Mr. and Mrs. Ferrell, Oliver P. Storm, Mr. and Mrs. Elmer Stubbs, Goldie Storm, Mrs. C. P. Jackson, Mr. and Mrs. J. A. Rowland, Mr. and Mrs. Roy Clanton and Roy, Jr., Mr. and Mrs. James Touchstone, Mr. and Mrs. Lee Williams, Patricia Williams, Lonnie Williams, Pat Williams of Gause, Mr. and Mrs. J. E. Mann, Robbie and Geneva of Houston, Mr. and Mrs. W. R. Avrett from Hearne, Miss Dorothy Pressley, Miss Martha Williams, Mr. and Mrs. J. H. Angell, Jr., and daughter Linda of Austin.

Harriett Standefer And Stone Garner Married in Clifton

Of interest to Central Texans was the wedding Saturday evening of Miss Harriet Jane Standefer of Clifton and Clayton Stone Garner of Cameron. The ceremony took place at First Methodist church in Clifton and was solemnized by Rev. Hayden Edwards of Fort Worth.

The bride is the daughter of Mr. and Mrs. J. L. Standefer of Clifton and the granddaughter of the late Mr. and Mrs. John W. Standefer of Waco. Mr. Garner is the son of Mr. and Mrs. H. E. Garner of Cameron.

Given in marriage by her father, the bride wore an ivory satin gown and a fingertip veil made of chantilly lace from her mother's wedding dress. She carried a colonial bouquet of white orchids and stephanotis.

Her attendants were Mrs. J. L. Standefer, Jr., of Clifton, matron of honor, and Miss Sue Wilkerson of Hillsboro, Miss Betty Lumkin of Dallas, Miss Anne Hubby and Mrs. W. M. Beaman of Austin, Mrs. S. A. Parker of Odessa and Mrs. S. L. Witcher of Clifton. They wore pale blue satin dresses, matching lace mitts and carried colonial bouquets of vanda orchids. Susan Witcher of Clifton was flower girl, wearing a blue satin dress.

Warren M. Beaman of Austin was best man, while ushers were J. L. Standefer, Jr., John A. Standefer, Clifton; James M. Hubby of Austin, J. L. Calloway of Cameron, John Brodfillo of Austin, Charlie Row of San Antonio, Harold Young.

A reception was held in the garden at the home of the brides parents. For their wedding trip to Colorado, the bride chose a gull-grey gabardine suit, gray accessories and orchid corsage. When they return from their trip, Mr. and Mrs. Garner will be at home in Austin, where he is a senior mechanical engineering student at the University of Texas and a member of Siba Nu fraternity. Mrs. Garner attended the University of Texas and is a graduate of Fashion Academy in New York City.

Jistel Home Scene Of Birthday Dinner And Celebration

A group of friends gathered at the home of Mr. and Mrs. A. L. Jistel Sunday, July 5 to celebrate Mr. Jistel's birthday and for Pvt. Raymond Kurtz, who will leave for Germany.

The evening was enjoyed by the following: Mr. and Mrs. Ervin Kleiber of Schulenburg, Mr. and Mrs. A. L. Jistel and family, Pvt. and Mrs. Raymond Kurtz, Mr. and Mrs. Edwin Kurtz and daughter, Mrs. Henry Abel, Sr., Mr. and Mrs. Amel Abel and son, Mr. and Mrs. Richard Jistel and sons, Mr. and Mrs. Jake Richardson and James, Mr. and Mrs. Adolph Abel and family, Mr. and Mrs. Richard Ehler and Frank, Mr. and Mrs. Henry Abel, Jr., and daughters, Mr. and Mrs. Gus Abel and daughters, Fred Jistel, Miss Elizabeth Jistel, Mrs. Richard Lehnert and Rosalie Mr. and Mrs. Albert Lehnert and daughter of Houston, Mr. and Mrs. John Jistel, Walter Ray Schattle and Mr. and Mrs. Frank Ulinik and son of Burlington.

Mrs. C. H. Ruby Given Surprise Party on Her 88th Birthday

A surprise birthday party honoring Mrs. C. H. Ruby on her 88th birthday was held at he rhome September 12, 1948, with Mrs. J. W. Kemp and Mrs. Lena Baskin acting as hostesses to a host of friends which included members of the Wesley Bible class of First Methodist Church and the pastor, Rev. L. L. Lemons and his wife. A lovely birthday cake was served with punch.

Mr. and Mrs. Martin Ruby treated their mother to a noonday luncheon at the Milam Coffee Shop.

Mrs. Ruby was born in South Carolina and reared in Arkansas. She came to Texas at the age of 20 in 1881. She received many lovely gifts for her birthday and many congratulations in the form of cards and messages. At the conclusion of the party Oxsheer Smith called and presented Mrs. Ruby with a gift in appreciation for her kindnesses rendered as a nurse while he was ill, at a time when nurses were not available.

Phone your news items to 282.

Mrs. L. F. Slama Hostess to Leisure 42 Club Thursday

Mrs. L. F. Slama entertained members of the "42" leisure club and three guests, Mesdames Dorner, Paul Laake and Alene Tiller on Thursday, August 26.

A beautiful color theme of fall colors was carried through out the party, and in the decorations.

In the games of "42" Mrs. Paul Laake held high, Mrs. H. L. Dakel second and traveling prize and table cuts went to mesdames, Ed Schiller, H. L. Dakel and Jim McGoldrick.

Mrs. Slama assisted by mesdames H. L. Dakel and Leo Fuchs served sandwiches, potato chips, pickles, cocoanut cake and an orange drink. Minature boxes of chewing gum were plate favors.

Mrs. Julia Lea Hurst Enjoys Party at 82; Her Birthday Dinner

Mrs. J. J. Martin and Mrs. Nora L. Davis of Houston were hostesses to a birthday celebration honoring, Mrs. Julia Lea Hurst age 82 at her home, September 10.

A birthday dinner was enjoyed by the following: Mrs. L. Davis, Mrs. Emelia Abel and the J. J. Martin family. A large decorated orange chiffon cake was the centerpiece for the large dining table. A delicious ice cream dish was served with the cake.

The following friends dropped in during the afternoon: Mr. and Mrs. M. G. Cox, Miss Mildred Thornton, H. B. McClellen, Frank Schritzer and mother, Mrs. Ella Abel.

The honoree received many lovely gifts and cards.

Frances Way Guest At Church Supper

Miss Frances Way, Secretary of First Methodist Church was honored with a covered dish supper, at the Church Wednesday evening. Miss Way is leaving her duties at the church to enter college at Shreveport, Louisiana.

Miss Shirley Horstmann sang a solo which was dedicated to Miss Way. Games were played, being directed by Mrs. C. W. Hudson. At the close of the evening Mrs. A. W. McCullin presented the honoree with a corsage of pink carnations.

Reed Rogers, of Corpus Christi, is visiting his father, Wm. R. Rogers for several days. Reed was reared here and has many friends in Cameron.

Mr. and Mrs. Edward Lee Fikes of Houston were guests in the home of Mr. and Mrs. John Kamenicky of Cameron for the past week end.

Why new telephone rates are necessary in Cameron

FOR THE FIRST TIME since 1920 the telephone company is asking for an adjustment in telephone rates in Cameron. The request is made necessary by the rapidly rising costs of furnishing telephone service, which have thrown our operations here "in the red."

Here are some of the reasons an adjustment in telephone rates is necessary at this time:

- **During the last six months of 1947, we furnished telephone service in Cameron at $11,589 less than cost:**

We spent	$30,955
We collected . . .	19,366
We lost	$11,589

- **Cameron's telephone rates have not been changed since 1920.**
- **In this period Cameron has grown from less than 750 telephones to 1,415.**
- **Seven general wage increases have been granted telephone employees since 1941.**
- **The total monthly payroll in Cameron has more than tripled since 1941, due to higher wage rates and a larger number of employees.**
- **Telephone poles cost 135 percent more than in 1941 . . . supplies, such as envelopes, paper clips and office forms, cost about twice as much as in 1941 . . . copper (the telephone company uses a lot of it) costs 80 percent more.**

A COMPREHENSIVE telephone expansion and improvement program is under way in Cameron. Among the projects scheduled this year and next are the installation of two more sections of local switchboard and 200 subscribers lines in the central office here, expansion of the network of cables and lines in all sections of the city, construction of rural facilities as soon as the necessary equipment is available, to provide telephone service for 150 more families living in the area surrounding Cameron.

Four additional long distance circuits should help speed Cameron's calls to other cities. Two of these, from Cameron to Austin, already are in operation. Two additional direct circuits are scheduled to be added before the end of the year, one to Houston and one to Dallas.

NEW SCHEDULE OF TELEPHONE RATES

Following is the proposed new schedule of telephone rates in Cameron:

Class of Service	Proposed New Monthly Rate
Business telephone	$5.50
Residence straight-line	2.75
Residence two-party line	2.25

THE increase is 5 cents a day for business customers, less than 2 cents a day for residence customers with private lines, and less than a cent a day for party-line customers.

In addition, charges for various auxiliary telephone services will be increased in relation to higher costs of furnishing these services.

The adjustments are moderate in comparison with the increases in costs of furnishing service, and the higher prices Cameron families pay for most things they buy today. It is no longer possible to meet post-war costs of furnishing telephone service with revenues from rates established 27 years ago.

SOUTHWESTERN BELL TELEPHONE COMPANY

DRUNK DRIVING CARRIES HEAVY LAW PENALTIES

Any person who operates a motor vehicle upon any public road or street in the state while intoxicated, or under the influence of intoxicating liquor, shall be guilty of a misdemeanor and upon conviction may be placed in jail for a period of from ten (10) days to two (2) years or fined not less than fifty ($50.00) dollars nor more than five hundred ($500.00) dollars, or by both such fine and imprisonment.

The law further provides that in the event that any person is convicted a second time for driving while intoxicated, the penalty shall be confinement in the penitentiary from one (1) to five (5) years.

The law further provides that the license of any person convicted of driving intoxicated on first offense shall be automatically suspended for a period of six (6) months, and for subsequent convictions the suspension shall be for a period of one (1) year.

Mr. and Mrs. W. H. Leonard of Temple spent several days in Cameron with thier son, Mr. and Mrs. Horace Leonard this week.

Rockdale Tax Rate Set at $1.00 Again

The tax rate for the city of Rockdale has been set at $1.00 on the $100 valuation, the same as last year, the city council announces this week.

The one dollar city tax rate gives Rockdale one of the lowest city tax rates of any town in the state. The school tax here is fifty cents, making the combined rate $1.50.

The Board of Equalization, in session recently, has completed its work, Members were M. N. Stricker, chairman, and Louis Rinn and W. T. Pearson, Jr.

Valuations were checked and reset where necessary. The city is in good shape in this respect, according to Mr. Stricker, who states they found valuations about in order all down the line, and made a few changes and additions.

Valuations in Rockdale are set at approximately a third of present-day values in most instances.—Rockdale Reporter.

Mrs. Oscar Storey and daughter, Mrs. Walter Wallace spent the week end with relatives in Texas City.

Miss Josephine Kretschmar has returned to her home after a few days visit with relatives in Houston.

PEOPLE STIRRED OVER HORRIBLE CONDITIONS

The Commissioners Court of Milam County will get a petition calling for improvements at the county poor farm.

Some 40 citizens of the county were at the farm Sunday afternoon. They signed the original petition written by Jamie L. Clark of Thorndale and all authorized their signatures. Many if not all, and others plan to go before the court at its next meeting to urge an end to the inhuman conditions that have prevailed at this Prison for the Poor for years.

Resentment over the policy of the Court toward these unfortunate old people, is nothing new. Conditions such as these always produce a climax and then a sense of outrage finds expression in protests. You hear such references as "hell hole," or "I'd rather see my parents dead than for them to live in such a place." In the main the aged people who suffer these privations and who are condemned to squalor, have no children. In fact they have in some cases no known relatives and few in the better sense of human situations. For these and other reasons, responsibility weighs heavier on society and upon public officials whose responsibility it is to prevent such things happening even in a city and county so static.

Here is the petition drafted in long hand Sunday:

To The Hon. Commissioners Court of Milam County:

We the undersigned citizens and tax payers, having visited the Milam County Poor Farm, hereby petition the court to provide adequate facilities for the care and comfort of the inmates of this farm.

We particularly point out the following facts: No sanitary facilities; no bath tub or shower; no county owned refrigeration; no fencing for pastures, farm or garden; no storage place for feed; rooms of inmates so much in need of repairs that there is not a room that does not have cracks in the walls that the hand cannot be thrust through; porch floors so rotten that it is dangerous to walk on.

We also request that the food allowance be increased to provide enough food for proper nourishment of inmates:

Signed,
JAMIE L. CLARK,
Thorndale

Ada Henderson Pupils Begin Registration Monday, September 13

The Ada Henderson school faculty will begin enrolling grammar school pupils at 8:30 Monday, September 13. All pupils enrolling in the first grade will bring a birth certificate, also a certificate showing vaccination against Smallpox and Diptheria. All other pupils entering the Ada Henderson school for the first time will bring certificates showing vaccination against Smallpox and diphteria.

The first faculty meeting will be Friday morning, September 10 at 8 o'clock in Yoe High School Building.

Iva Earl Heath of Washington is spending two weeks in Cameron with her friends and relatives. Miss Heath is secretary for Congressman Bob Poage of Washington, D. C.

Volunteers Needed To Register Draftees

Registration of young men for the draft is becoming increasingly a serious problem, all because there have been so few to volunteer for service.

Mrs. Frances Isaacs, Chief Clerk at the Board, appealed to The Daily Herald late Friday, in an effort to enlist someone to assist her in the registration work. Registration will not end until September 18.

Mrs. Isaacs said that if two persons could volunteer to help a half day each it might be possible to get the work done. As it is it is going to be very difficult.

The Chamber of Comerce has been doing all it could under limited response to clear up the need at the draft board for help. It is highly important and all who will are asked to volunteer to start Monday and assist in this important job.

Mr. and Mrs. Vernon Harrison and son, Vernon, Jr., of Giddings visited in the home of Mr. and Mrs. Ladis Marek on Monday.

Royal Jeter and family spent last Saturday with relatives and friends in Cameron. They returned to their home in Houston on Saturday night.

FIND OUT HOW
SMALL YOUR WORLD IS...ON AIR FORCE DAY, SEPTEMBER 18

Do you know how many hours closer to home the farthest point on earth has been brought—just since V-J Day? Do you realize how the difficulties of defending the United States from air attack have multiplied in the last three years? Do you know the amount of Air Power this country has today? Do you know what it needs in men and material to maintain adequate Air Power?

Every American can find out—and GET TO KNOW YOUR AIR FORCE BETTER—on Air Force Day. You'll discover there's something you can do for America's Air Power.

First, and most important, is for you to learn the facts. Literature will be available at Air Force Bases, National Guard Armories, Recruiting Stations and many other places.

If you are a young man from 17 to 34, you'll find that the Air Force offers you splendid training and education, with the opportunity to specialize in skills that can lead to a worthwhile career in aviation. If you are 20 to 26½, single, and have had two years of college or the equivalent, the Air Force offers you the world's finest flight training as an Aviation Cadet.

If you are still in college, you can join the Air R.O.T.C. Or, as a civilian, you can join the Air National Guard. Veterans can enlist or join the Air Force Reserve.

Watch your newspapers for the schedule of Air Force Day events and make a point of attending. If that is not possible, at least stop in and pick up a copy of the special Air Force Day pamphlet, "KNOW YOUR AIR FORCE BETTER," at any Air Force Base or U. S. Army and U. S. Air Force Recruiting Station.

HERE'S HOW YOUR AIR FORCE IS MADE UP

THE STRATEGIC AIR COMMAND. Conducts long-range bombardment and fighter operations, independently or in co-operation with land and naval forces.

THE TACTICAL AIR COMMAND. Equipped with new jet fighters and attack bombers for operation anywhere in the world.

THE AIR DEFENSE COMMAND. Provides air defense. Trains the Air Reserve. Supervises training, Air National Guard.

THE AIR MATERIEL COMMAND. Research and development of new planes, guided missiles, Air Force materiel, accessories and supplies.

THE AIR TRAINING COMMAND. Provides individual training, except education available in the Air University.

THE MILITARY AIR TRANSPORT SERVICE. Provides world-wide air transportation for all departments of the U. S. military establishment, as well as weather and air-rescue service.

THE AIR UNIVERSITY. Higher education in all phases of military aviation.

THE OVERSEAS AIR COMMANDS. Include USAF in Europe, Caribbean Air Command, Pacific Air Command, Far East Air Force and Alaskan Air Command.

NAME WILL NOT BE ON THE NOVEMBER BALLOT

BATON ROUGE, La., Sept. 10—President Truman's name was knocked off the Louisiana ballot today and he will be only a write-in candidate in the Nov. 2 general elections.

The states' Democratic candidate—Governor J. Strom Thurmond of South Carolina for president and Governor Fielding L. Wright of Mississippi for vice president—were declared the Democratic party nominees in Louisiana.

The Louisiana Democratic state central committee took this action by unanimous vote on a resolution by Judge Leander Perez of St. Bernard Plaquemines parishes (counties).

The resolution voiced the southern revolt against the national administration's civil rights program and policies.

SAN ANGELO, Sept. 10—Gov J. Strom Thurmond predicted here today that other states soon will follow Louisiana in designating states' rights party nominees as "nominees of the real Democrats."

The states' rights presidential candidate forecast that Texas will vote for him and Gov. Fielding Wright of Mississippi for vice president in the November general election.

Thurmond concluded his Texas tour here today with an address before 200 West Texans at a Rotary club luncheon.

MRS. VERNON GARNER BURIED IN CROCKETT

Mrs. Vernon Garner died in a Houston Hospital, September 8, after a major operation. Her death came as a great shock to her family, and many friends.

Mrs. Garner was born December 2, 1889. She was married to Vernon Garner while living in the Hoyte community. They made their home there for some time, then moved to the Marlow community where they lived until 1918, then moved to east Texas where they have made their home since.

Mrs. Garner is survived by her husband and five children, an aged father, several sisters, brothers, a number of nieces and nephews and a host of friends.

She was buried in a Crockett cemetery with the Waller Funeral Home directing.

Relatives from Cameron attending the funeral were, Mr. and Mrs. Rush Hairston and sons, Mrs. Sallie Garner, Mrs. M. M. Bright, and sons, Mrs. Andrew R. Ritchie and children of Brownwood.

BERLIN SITUATION IS GROWING WORSE

Being firm with Marshall got us another swift kick in Berlin Wednesday.

The Russian commander for Berlin told the American Authorities "not to interfere in matters which don't concern them."

It is open season on Americans and western power personnel in Berlin. The high level diplomats in Moscow are tied up with caviar and Molotov and can't seem to get around to doing something about the rough stuff in the German capital.

The Reds have smashed the new government. They have taken over the government building and kicked out all other personnel. United States personnel is being hunted like jack rabbits. Meanwhile we are being firm with Marshall.

We have lodged a new protest over double cross kidnappings. The Reds reject as usual. The Berlin situation is growing more intense every hour. There is no agreement in Moscow and there is no agreement in Berlin. Meanwhile war is being made on us.

When the Germans jumped King Hakon out of bed and chased him across Norway in his undershirt we discovered the dignity of the human soul. At Yalta we learned how to be firm with appeasement.

John Carroll Marshall has returned to his old home in Texas City after spending his vacation with his grandmother, Mrs. Emma Moore.

MRS. CLAYTON STONE GARNER

Mrs. Garner is the former Miss Harriet Jane Standefer of Clifton. They were married in First Methodist Church in Clifton on Saturday, September 4. She is the daughter of Mr. and Mrs. J. L. Standefer of Clifton. Mr. Garner is the son of Mr. and Mrs. H. E. Garner of Cameron and a senior merchanical engineering student at the University of Texas. He is a war veteran having served with the United States Marine Corps in the far East.

COMMITTEE CERTIFIES HIM WITH 87 LEAD

Congressman Lyndon B. Johnson was declared the winner of the Senatorial Race on August 28 when the State Democratic Executive Committee by a one vote majority certified him.

The vote to certify Johnson was 29 to 28 and that also set a record for closeness on the question of certifying a name for the November ballot.

It was expected that the fight would continue to the floor of the Convention opening Tuesday in Fort Worth.

A sub-committee to canvass the ballot returns sent its report to the whole committee and Johnson was the winner by 87 votes.

Coke Stevenson, unsuccessful candidate, indicated he might carry his fight to the United States Senate.

It was within the power of the Convention to adopt or reject the findings of the Committee.

The big fight was over Precinct 13 in Jim Wells county where it was alleged some 201 votes were added to the report after the polls closed and all save 1 were for Johnson.

ROSEBUD WINS OVER CALDWELL 34 TO 7

Rosebud Panthers, showing a brand of ball far too much for the Caldwell high school eleven, smothered the visitors with a 34 to 7 score Friday night to open the grid season for both teams.

The Panthers quickly showed the superiority by taking the opening kickoff and marching 81 yards for the first touchdown. David Sapp made the final lunge for the goal. Bill Davis missed the extra point. In the same quarter Rosebud took the ball from Caldwell on its own 46-yard line and marched to pay dirt. Davis converted. This drive featured the running of Roy Lierman, Richard Shigut and Davis. The quarter ended, Rosebud 13, Caldwell 0.

A Caldwell fumble set up the Panthers' next score. Davis passed to Lierman for the tally. Davis converted, ending the half at Rosebud 20, Caldwell 0.

Lierman, Sapp and Davis teamed up for the first third-quarter score with Davis again converting. Sapp and Shigut, with the aid of Ray Griffin, a tackle, made the final score with Davis booting the extra point.

Caldwell's final score came midway in the final quarter when Charles Frieda took a pass, and after momentarily juggling it raced 46 yards for the score. Frieda kicked the extra point. Final score, Rosebud 34, Caldwell 7.

WESLEY SERVICE GUILD MEETS

The Wesley Service Guild of the Methodist church met Monday night in the basement of the church for a brief business meeting. The president, Marie Brod presided. Mrs. Lee Lemons gave a devotional, "By His Light Shall The Nations Walk". Mrs. Bess Triggs gave a very inspiring talk entitled, "Amsterdam".

Mrs. Martha K. Moore of Milano visited in Cameron one day this week.

ENVOYS GRIM AFTER SHORT KREMLIN VISIT

Col. Frank Howley, military commander in Berlin, said Tuesday that the United States is completely finished with making concessions to Russia.

Howley said this marks a complete change in American policy. Early in the occupation he said the Americans were told to appease the Reds in any manner necessary for amiable relations. The United States now realizes, he said, the utter futility of such a policy.

Western envoys there went to the Kremlin tonight for their ninth meeting with Soviet leaders. The session was the shortest and possibly the last of the six-week series of conferences on the Berlin crisis.

U. S. Ambassador W. Bedell Smith, French Ambassador Yves Chatiagneau and special British Envol Frank Roberts were closeted for only 90 minutes with Russian Foreign Minister V. M. Molotov.

Authoritative British sources said yesterday that the Western envoys would ask to see Soviet Premier Josef Stalin for a final "showdown" on the Berlin blockade. If they did so, their request was evidently refused.

Smith refused flatly to comment when asked whether further meetings would be held. In the past, he has always given an indefinite answer to such questions.

Mrs. Ladis Marek and Ladis, Jr. accompanied by Mrs. F. A. Marek motored to Georgetown Tuesday where Ladis Jr. entered Southwestern as a sophomore.

We do not mail notices

Subscription expirations are handled by The Herald in the commonly accepted manner of all responsible publications.

The extension date of your paper is printed each week along with the address.

When the expiration date is reached the paper is discontinued. Postal regulations forbid mailing a newspaper not paid in advance.

We make this explanation so that those who do not renew in time may lose a copy and we trust they will not hold the publishers to blame for this.

If your subscription is about to expire come in at once and renew it.
